ROUND TABLES

24'' x 24''

A modern lounge interior featuring a large, curved, orange velvet sofa with several colorful throw pillows in shades of grey, red, and yellow. In front of the sofa are two round, white-topped tables with black metal legs. Each table has a small, white, conical lamp on it. The room has floor-to-ceiling windows that offer a panoramic view of a city skyline at dusk. The sky is a mix of orange, pink, and blue. A white horizontal line is positioned below the text. To the right, a metal truss structure with purple and yellow lights is visible.

Sydney is the collection that fits in anywhere.

With five tabletop formats and three leg heights, it opens the door to all kinds of setups: lounge area, elegant banquet, or cocktail reception. A design that adapts to your atmosphere — and every moment of your event.
